

During this series, each group member will read through the book of Numbers and discuss as a group each week using the Word Hand Illustration. We encourage you to read more about this simple way of taking in God's Word at www.navigators.org.

- What do you like about this passage?
- What does the passage teach us about God?
- What does it teach us about people?
- Is there a command to obey or an example to follow?

MEMORIZE: Choose one passage that impacted you during the week and memorize it. Share your passage with the group.

MEDITATE: Answer the following questions and then commit to meditate and act on them during the coming week.

- What do you need to do this week to obey what you've learned?
- Who outside the group could you share what you've learned with?

Close in prayer for each other.
